

Community Grant Scheme - 2017-18 Round 1 Recipients

Applicant	Project Snapshot
Balmain Children's Centre	Playground upgrade to create an edible garden, a sensory garden and an indigenous garden
Orange Grove Public School	Erosion Prevention and Playground Enrichment project involving construction of a 75m retaining wall, drainage pipes and uniform planting
Youth Off The Streets Limited	Installing solar panels at new head office, enabling YOFTS to conduct diverse youth support activities using clean and sustainable energy. Funds saved from energy bills will be redirected into youth support programs
City of Sydney Basketball Association	New basketball scoreboard
Newtown North Public School	Equipment to upgrade school sound system and introduction of a school radio program
Sunnyfield Lillyfield	Equipment for the 'Skills for Life' program at Lilyfield location including the purchase of a smart board, gardening tools and kitchen equipment
Chalmers Road Public School	Two new interactive white boards. The school provides educational programs for students aged four to eighteen years with moderate or severe intellectual disabilities
Weldon Children's Services	Replacement and extension of rubber soft fall outdoor flooring
Yeo Park Infants School	New school stage in school hall
Concord Public School Parents and Citizens Association	Upgrade to the school toilet block and hand wash bay area
Breakfast Point Men's Shed Incorporated	The installation of air conditioning and upgrade the dust collection equipment for improved air quality
Ashfield Public School	Protective padding around the playground to increase safety for sport activity
Western Sydney Community Centre	Funding to build upon existing multicultural playgroups at Auburn and Granville. The program focuses on the principles of 'Targeted Early Intervention' and 'Positive Parenting Programs'
Elm St Early Learning Centre	Promoting Aboriginal (Indigenous) culture awareness via the purchase of new Aboriginal resources including interactive shows, books, videos, paintings and aboriginal art
Dharma Karta	Funding for the 'Resilient Children, Stronger Communities' program to deliver a positive values-empowerment program in a South Granville school. Children will grow in resilience, optimism, self-confidence, social participation skills and a sense of their own agency, to build stronger communities in the future.
Horn of Africa Relief and Development Agency Inc	Funding to run the SWIM and SURVIVE program to increase water safety awareness and swimming skills for South Sudanese and Somali refugees resettling in western Sydney

Applicant	Project Snapshot
St Peters Community Preschool Inc	Upgrade to the preschools natural play space to include a shaded pergola area and a fixed mud kitchen area
Bexley North Public School	Equipment to upgrade the Stem Learning Hub to enable programs in Coding, 3D Design and Print, and Robotics
Kingsgrove North High School	A new pergola for outside education, community art classes and whole school events
Windgap Foundation - Men's Shed	A laser engraver machine for the Men's Shed to increase skill set and additional funding revenue
Marrickville Public School P&C Association	Structural upgrade to the 'School and Community Learning Kitchen' including the purchase of materials to ensure it is functional by early 2018
Canterbury Vale School	Funding for a 'Hospitality Skills and Barista Training Program' - a enterprise education program for the at-risk and vulnerable students
Exodus Youth Worx	Funding for 'Drive Worx' - a 'Green Light Driving Program' aiding young people to be safe on the roads and upskill their driving knowledge. The Program is split into two components - theoretical learnings and practical execution
